Tarot for Manifestation
By James Wells

Gone are the days of the Tarot as a simple fortune-telling device. James Wells' new book, *Tarot for Manifestation* shows the reader how to use the mythic cards as a basis for conscious creation and shows the ways in which the Tarot can act as an agent of action in one's own life. *Tarot for Manifestation* will teach you to stimulate your creativity, manifest your destiny and help design your life and your being into exactly what you always dreamed they could be.

"The only thing that limits the use of Tarot is lack of imagination." – James Wells

Manifestation is the science and art of making something real. Using the imagery of the Tarot to help you and your inner self manifest more clearly, Wells' five processes use the visual symbolism that the Tarot deck contains to help you gain insight and real understanding as you endeavor to shape your life.

"I appreciate my co-creative experience with Tarot Media Company. Their respect for my text and their generosity with time and ideas have been extraordinary" stated Wells. Replied Anastasia Haysler, Tarot Media Company President, "James is a delight to work with - smart, talented, organized, and with a compelling approach to Tarot one doesn't find with most books."

Tarot for Manifestation provides an innovative and open interpretation to the Tarot, allowing for more freedom of observation and perception as you follow this guide to using the Tarot as a tool to see and manifest your desires with energy and spiritual intuitiveness.

"*Tarot for Manifestation* by James Wells takes Tarot to the next level. The cards become personal tools for getting things done, practically and efficiently. This is applied meaning at its best – discovering specific actions for turning desire into reality. Learn how image can become 'imagic'. Your life will never be the same once you've tried the fun and creative processes in this book." ~ Mary K. Greer, author of *Who Are You in the Tarot?*, *Tarot for Yourself*, and *21 Ways to Read a Tarot Card*

A versatile how-to, *Tarot for Manifestation* offers five methods of Tarot working to help you manifest your goals and live your dreams. The text includes full explanations of the spreads, practical applications and is beautifully illustrated with real-life examples from his client work.
